Change is inevitable: it should be for the better

POSITION STATEMENT 9
WASTE PLANNING AND MANAGEMENT

This Position statement has been withdrawn, pending review later in 2021.

The Gloucestershire County Council Minerals and Waste Development Scheme published in January 2021 refers to “initial consultation” on a new waste local plan between October and December of this year. Our Position Statement 9 – Waste Planning and Management – is to be reviewed to guide our input to the consultations.
